To Whom It May Concern:

We are a small club in the north of Co Wexford with two full sized pitches. We employed Sand on Demand, Enniscorthy to do some work on our pitch in Kilnerin in the last month. We are very happy with the work carried out and the subsequent results.

With modern machinery the pitch was spiked and around 100 ton of sand was spread on each pitch. The pitches are now in the best condition they have ever been in and we are delighted with what we have now. We would have no hesitation in recommending Sand on Demand's services. Also anybody is welcome to come and see for themselves the condition of our pitches

Yours Sincerely,  
James Furlong  
Kilnerin/Ballyfad Club Secretary
